

Wheel of Health Clinical Profile

Caroline Eriksson

Senior Clinical Associate | Physiotherapist

Role	Senior Clinical Associate
Profession	Physiotherapist
Professional registration	HCPC registered Physiotherapist
Region	Surrey / South of England
Specialist focus	Wheelchair services, special seating and safeguarding leadership

Professional profile

Caroline Eriksson is a calm and effective senior Physiotherapist with extensive experience in the wheelchair service sector. She has a strong understanding of seating and posture and broad knowledge of complex carved foam and modular seating systems. Caroline leads, develops and supports teams while maintaining focus on client needs. She works across healthcare and external provider networks to promote effective solutions and is experienced in caseload management, complaints handling, safeguarding, special seating, posture clinics and staff development.

Specialist clinical expertise

- Postural assessment and special seating
- Complex carved foam and modular seating systems
- Wheelchair service team leadership
- Safeguarding leadership and complaints handling
- School clinics and posture clinic leadership
- Staff supervision, training and recruitment
- 24-hour postural management reporting and supplier coordination

Contribution to Wheel of Health

Caroline brings practical wheelchair service leadership, safeguarding experience and special seating expertise to Wheel of Health. Her ability to manage complex clinical work while coordinating with families, case managers, clinical staff and suppliers supports the company's commitment to safe, joined-up and client-centred provision.
